Monday 19th October 2026

Dear Parents and Carers

Parents' Evenings – November 2026

Teachers are very much looking forward to meeting with you in order to celebrate the things that are going well for your child, as well as discussing and establishing next steps. Parents' evenings will take place on Tuesday 17th and Thursday 19th November.

The meetings will take place at school in your child's classroom and you will, of course, have the opportunity to spend time reading through your child's books. In order for you to get the most out of this important occasion, we politely ask that you arrange childcare for children and babies for the short period of time you will be in school.

How to book your Parents' Evening appointment (once bookings go live):

1. Log in to MCAS via the app or browser: <https://www.mychildatschool.com>
2. Navigate to the Parents Evening section
3. Select a time slot that suits you
4. Confirm your booking

If you are unable to attend a meeting on any of the planned Parents' Evening days, let us know and the teacher will contact you separately to arrange your meeting for a mutually convenient time.

Please be assured that the teachers will meet with every parent. Each meeting will last ten minutes and will focus on the progress your child is making in key curriculum areas as well as providing an update on how well they have settled into their new class.

If you have further questions after the meeting, please get in touch with the Office Team, who will arrange for the teacher to contact you by telephone. The booking system will go live on Wednesday 4th November.

You will receive a push notification from the app to inform you that you can now book, so please ensure your notifications are enabled in the MCAS app settings to receive these alerts promptly.

Please note that the booking system will close at 12:00pm on the day before each meeting. Please do not hesitate to contact the school office if you have any queries. Thank you for your support of our school.

Warm regards
Office Team

<p>We are committed to providing excellence in learning and teaching and having high expectations. Preparing every child for the challenges and changes of the future within a safe and nurturing environment.</p>
