Dear Parents and Carers

We are writing to let you know that applications received under the new Free School Meal eligibility arrangements have now been processed, and your child's school record has been updated accordingly.

It is **really important** that families who believe they may be eligible for Free School Meals get in touch with us. Even if your child already receives a free meal because of their age or current arrangements, registering your eligibility can provide additional funding to the school to support your child's education.

If you think your circumstances may mean that your child is eligible, or you are unsure and would like us to check, please contact the school office and provide the relevant details. We will be happy to assist you with the process.

Please do not assume that we already know about a change in your circumstances. If you think you may now qualify, we would strongly encourage you to contact us so that we can ensure your child receives any support to which they are entitled.

All information provided will, of course, be treated sensitively and confidentially.

Thank you for your continued support.

Yours sincerely

Claire Archer
Senior Administrator
